

```
smacc2::SmaccState  
::checkWhileLoopConditionAnd  
    ThrowEvent
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'smacc2::SmaccState' followed by '::checkWhileLoopConditionAnd' and 'ThrowEvent' on separate lines. The right box is white and contains the text 'smacc2::ISmaccState' followed by '::getLogger' on separate lines. The blue arrow originates from the right side of the gray box and points to the left side of the white box.

```
smacc2::ISmaccState  
::getLogger
```
