

The diagram consists of a light gray rectangular box with a black border. Inside the box, the text "smacc2::FlashLightPlugin" is on the top line and "::TurnOff" is on the bottom line. A blue curved arrow originates from the top edge of the box, arches over the top, and points down to the top edge of the box, indicating a self-call or a recursive action.

```
smacc2::FlashLightPlugin  
::TurnOff
```
