

A diagram consisting of a light gray rectangular box with a black border. Inside the box, the text "smacc2::client\_bases", "::SmaccPublisherClient", and "::publish" are stacked vertically. A blue curved arrow originates from the top edge of the box, arches over the top, and points down to the top edge of the box, indicating a self-call or a recursive relationship.

```
smacc2::client_bases  
::SmaccPublisherClient  
::publish
```
