

```
sm_respira_1::ps_cycle  
_inner_states::StiPSCycleExpire  
::onExit
```

```
graph LR; A["sm_respira_1::ps_cycle  
_inner_states::StiPSCycleExpire  
::onExit"] --> B["smacc2::ISmaccState  
::getLogger"]
```

A diagram showing a call from the function `sm_respira_1::ps_cycle_inner_states::StiPSCycleExpire::onExit` to the function `smacc2::ISmaccState::getLogger`. The call is represented by a blue arrow pointing from the left box to the right box.

```
smacc2::ISmaccState  
::getLogger
```
