

sm\_dance\_bot\_warehouse  
\_2::OrNavigation::onInitialize

```
graph LR; A[sm_dance_bot_warehouse_2::OrNavigation::onInitialize] --> B[sm_dance_bot_warehouse_2::OrNavigation::loadWaypointsFromYaml];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'sm\_dance\_bot\_warehouse\_2::OrNavigation::onInitialize'. The right box is light gray with a black border and contains the text 'sm\_dance\_bot\_warehouse\_2::OrNavigation::loadWaypointsFromYaml'.
