The diagram illustrates a dependency or call relationship. Two source functions, 'cl\_nav2z::backward\_global\_planner::BackwardGlobalPlanner::createDefaultBackwardPath' and 'cl\_nav2z::forward\_global\_planner::ForwardGlobalPlanner::createPlan', are shown in white boxes on the left. Blue arrows point from each of these boxes to a target function, 'cl\_nav2z::makePureSpinningSubPlan', which is shown in a grey box on the right.
