

sm_husky_barrel_search
_1::OrNavigation::onInitialize

```
graph LR; A[sm_husky_barrel_search_1::OrNavigation::onInitialize] --> B[sm_husky_barrel_search_1::OrNavigation::loadWaypointsFromYaml];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box is white with a black border and contains the text 'sm_husky_barrel_search_1::OrNavigation::onInitialize'. The right box is gray with a black border and contains the text 'sm_husky_barrel_search_1::OrNavigation::loadWaypointsFromYaml'. The arrow is dark blue.
