

```
sm_dance_bot_strikes  
_back::f_pattern_states  
::StiFPatternRotate1::staticConfigure
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and contains three lines of code: 'sm_dance_bot_strikes', '_back::f_pattern_states', and '::StiFPatternRotate1::staticConfigure'. The right box has a white background and contains three lines of code: 'smacc2::SmaccState', '< StiFPatternRotate1', and '< SS >, SS >::configure _orthogonal'.

```
smacc2::SmaccState  
< StiFPatternRotate1  
< SS >, SS >::configure  
_orthogonal
```
