

```
sm_dance_bot_warehouse  
::s_pattern_states::StiSPattern  
  LoopStart::onEntry
```

A diagram showing a transition between two states. A blue arrow points from the left box to the right box. The left box is white with a black border, and the right box is gray with a black border. Both boxes contain text representing a state in a state machine.

```
sm_dance_bot_warehouse  
::s_pattern_states::StiSPattern  
  LoopStart::loopCondition
```
