

```
smacc2::event_generators  
::EgConditionalGenerator  
    ::onEntry
```

A diagram showing a call from the `onEntry` method of the `smacc2::event_generators::EgConditionalGenerator` class to the `checkPredicateAndPost` method of the same class. A blue arrow points from the `onEntry` method in the left box to the `checkPredicateAndPost` method in the right box.

```
smacc2::event_generators  
::EgConditionalGenerator  
    ::checkPredicateAndPost
```
