

CANCEL

The diagram illustrates a call stack structure. At the top is a white rectangular block divided into three horizontal sections. The top section contains the text 'CANCEL', while the middle and bottom sections are empty. Below this block is a blue arrow pointing upwards towards the bottom section of the 'CANCEL' block. The arrow originates from the top section of a larger, gray rectangular block below. This gray block is also divided into three horizontal sections. The top section contains the text 'sm\_multi\_stage\_1::cmv \_cycle\_4::StiCMVCycleRinse4 ::RETURN', while the middle and bottom sections are empty.
