

sm_dance_bot_lite::
s_pattern_states::StiSPattern
Rotate2::runtimeConfigure

```
graph LR; A["sm_dance_bot_lite::  
s_pattern_states::StiSPattern  
Rotate2::runtimeConfigure"] --> B["smacc2::ISmaccState  
::getLogger"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and contains three lines of text: 'sm_dance_bot_lite::', 's_pattern_states::StiSPattern', and 'Rotate2::runtimeConfigure'. The right box has a white background and contains two lines of text: 'smacc2::ISmaccState' and '::getLogger'.

smacc2::ISmaccState
::getLogger
