The diagram consists of two rectangular boxes. The left box is gray and contains the text 'smacc2::SmaccState::configure_orthogonal_internal'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'smacc2::utils::cleanShort TypeName'. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-call or a recursive relationship.
