

SUCCESS

The diagram consists of two rectangular blocks. The top block is white with a black border and is divided into three horizontal sections. The top section contains the word 'SUCCESS'. The bottom section of this block is pointed to by a blue arrow. The arrow originates from the top edge of the bottom-most section of a larger, gray-shaded block below. This lower block is also divided into three horizontal sections. The top section of the lower block contains the text 'sm_advanced_recovery_1::pc_cycle_inner_states::StiPCCycleDwell::NEXT'. The two bottom sections of the lower block are empty.
