

SUCCESS

The diagram consists of two rectangular blocks. The top block is white with a black border and is divided into three horizontal sections. The top section contains the word 'SUCCESS'. The bottom section of this block is pointed to by a blue arrow. The arrow originates from the top edge of the bottom-most section of a larger block below. This larger block is gray with a black border and is also divided into three horizontal sections. The top section of the gray block contains the text 'sm_multi_stage_1::ac' on the first line and '_cycle_2::StiACCyclePush2::NEXT' on the second line. The middle and bottom sections of the gray block are empty.
