

```
sm_respira_1::ps_cycle  
_inner_states::StiPSCycleInspire  
::onExit
```

```
graph LR; A["sm_respira_1::ps_cycle  
_inner_states::StiPSCycleInspire  
::onExit"] --> B["smacc2::ISmaccState  
::getLogger"]
```

A diagram showing a call from a stateful object to a stateful object. The call is represented by a blue arrow pointing from the left box to the right box. The left box is shaded gray and contains the text 'sm_respira_1::ps_cycle', '_inner_states::StiPSCycleInspire', and '::onExit'. The right box is white and contains the text 'smacc2::ISmaccState' and '::getLogger'.

```
smacc2::ISmaccState  
::getLogger
```
