

ABORT

sm_pack_ml::execute
_sequence_b::StiExecuteSequence
BStep7::PREVIOUS

The diagram illustrates a call stack or state transition. At the top is a box with three sections; the top section is labeled 'ABORT'. Below this box is a blue arrow pointing upwards. At the bottom is a larger box with three sections. The top section contains the text 'sm_pack_ml::execute', '_sequence_b::StiExecuteSequence', and 'BStep7::PREVIOUS'. The bottom two sections are empty. The blue arrow points from the top section of the bottom box to the bottom section of the top box.
