

cl_ros_timer::CbTimerCountdown
Loop::onEntry

```
graph LR; A[cl_ros_timer::CbTimerCountdown Loop::onEntry] --> B[cl_ros_timer::CbTimerCountdown Loop::onClientTimerTickCallback]
```

A diagram showing a call from the `onEntry` method to the `onClientTimerTickCallback` method. The `onEntry` method is represented by a white box with a black border, and the `onClientTimerTickCallback` method is represented by a gray box with a black border. A blue arrow points from the `onEntry` box to the `onClientTimerTickCallback` box.
