

ABORT

The diagram consists of two main components. At the bottom is a large rectangular box divided into three horizontal sections. The top section is shaded gray and contains the text 'sm_multi_stage_1::mode', '_2_sequence_b::StiMode2Sequence', and 'BStep4::TIMEOUT'. The middle and bottom sections are also shaded gray but are empty. Above this box is a smaller rectangular box divided into three horizontal sections. The top section contains the text 'ABORT', while the middle and bottom sections are empty. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating a transition or relationship between the two states.

sm_multi_stage_1::mode
_2_sequence_b::StiMode2Sequence
BStep4::TIMEOUT
