

A diagram consisting of a light gray rectangular box with a black border. Inside the box, the text `service_node_3.Service3.` is on the top line and `__init__` is on the bottom line. A blue curved arrow originates from the right side of the top line, loops over the top of the box, and points down to the right side of the bottom line, indicating a self-call to the `__init__` method.

```
service_node_3.Service3.  
    __init__
```
