

```
function< void(std  
::shared_ptr< smacc2  
::SmaccEventGenerator >)>
```

The diagram consists of two class boxes. The top box is white with a black border and contains a function signature. The bottom box is gray with a black border and contains a class name. A vertical line connects the two boxes, with a small open diamond at the bottom box and the label '+fn' to the right of the line.

+fn

```
smacc2::introspection  
::EventGeneratorCallbackFunctor
```
