

ABORT

sm_pack_ml::execute
_sequence_b::StiExecuteSequence
BStep8::PREVIOUS

The diagram illustrates a call stack or state transition. At the top is a box with three sections; the top section is labeled 'ABORT'. Below this box is a blue arrow pointing upwards. At the bottom is a larger box divided into three horizontal sections. The top section contains the text 'sm_pack_ml::execute', '_sequence_b::StiExecuteSequence', and 'BStep8::PREVIOUS'. The middle and bottom sections are empty.
