

ABORT

The diagram illustrates a call stack. At the bottom is a gray-shaded box representing the current function's stack frame. It contains the text 'sm_multi_stage_1::mode', '_4_sequence_c::StiMode4Sequence', and 'CStep2::PREVIOUS'. Above this frame is a blue arrow pointing upwards to a white box representing a function call. This white box is divided into three horizontal sections; the top section contains the word 'ABORT', while the two bottom sections are empty.

sm_multi_stage_1::mode
_4_sequence_c::StiMode4Sequence
CStep2::PREVIOUS
