

smacc2::introspection  
::SmaccEventInfo::getSourceName

```
graph LR; A["smacc2::introspection  
::SmaccEventInfo::getSourceName"] --> B["smacc2::introspection  
::demangleSymbol"]
```

A diagram showing a call from the function `smacc2::introspection::SmaccEventInfo::getSourceName` to the function `smacc2::introspection::demangleSymbol`. The call is represented by a blue arrow pointing from the left box to the right box.
