

```
boost::statechart::  
event< EvSequenceFinished  
      < StateType > >
```

The diagram illustrates an inheritance relationship between two C++ event types. A light blue arrow points from the bottom box to the top box, indicating that the bottom box inherits from the top box. Both boxes are divided into three horizontal sections. The top section contains the event type name, the middle section is empty, and the bottom section is also empty.

```
smacc2::default_events  
::EvSequenceFinished<  
    StateType >
```
