

```
boost::statechart::  
event< EvCountdownEnd  
< TReactorType, EmptyObjectTag > >
```

The diagram illustrates a specialization relationship. A light blue box at the top represents the base type, `boost::statechart::event< EvCountdownEnd < TReactorType, EmptyObjectTag > >`. A dark gray box at the bottom represents the specialized type, `smacc2::state_reactors::EvCountdownEnd< TReactorType, TReactorTag >`. A blue arrow with a hollow triangular head points from the specialized type box up to the base type box, indicating that the specialized type inherits from or specializes the base type.

```
smacc2::state_reactors  
::EvCountdownEnd< TReactorType,  
TReactorTag >
```
