

smacc2::SmaccState
::shallow_construct

```
graph LR; A[smacc2::SmaccState::shallow_construct] --> B[TRACEPOINT]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'smacc2::SmaccState' on the first line and '::shallow_construct' on the second line. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'TRACEPOINT'.
