

ABORT

The diagram consists of two main components. At the bottom is a large rectangular block divided into three horizontal sections. The top section is shaded gray and contains the text 'sm\_multi\_stage\_1::mode', '\_2\_sequence\_b::StiMode2Sequence', and 'BStep4::TIMEOUT'. The middle and bottom sections are also shaded gray but are empty. Above this block is a smaller rectangular block divided into three horizontal sections. The top section is labeled 'ABORT', while the middle and bottom sections are empty. A blue arrow points from the top edge of the bottom block to the bottom edge of the top block, indicating a transition or action.

sm\_multi\_stage\_1::mode  
\_2\_sequence\_b::StiMode2Sequence  
BStep4::TIMEOUT
