

```
sm_respira_1::ps_cycle  
_inner_states::StiPSCycleExpire  
::onExit
```

```
graph LR; A["sm_respira_1::ps_cycle  
_inner_states::StiPSCycleExpire  
::onExit"] --> B["smacc2::ISmaccState  
::getLogger"]
```

A diagram showing a call from the `sm_respira_1::ps_cycle_inner_states::StiPSCycleExpire::onExit` function to the `smacc2::ISmaccState::getLogger` function. The call is represented by a blue arrow pointing from the left box to the right box.

```
smacc2::ISmaccState  
::getLogger
```
