

sm\_test\_moveit\_ur5e  
\_ignition\_sim.launch\_setup

```
graph LR; A[sm_test_moveit_ur5e_ignition_sim.launch_setup] --> B[sm_test_moveit_ur5e_ignition_sim.load_yaml]
```

A diagram showing a sequence flow between two steps. The first step, 'sm\_test\_moveit\_ur5e\_ignition\_sim.launch\_setup', is contained in a gray rectangular box. A dark blue arrow points from the right side of this box to the left side of a second rectangular box. The second box, 'sm\_test\_moveit\_ur5e\_ignition\_sim.load\_yaml', is white with a black border.
