

smacc2::client\_bases  
::SmaccActionClientBase  
::postResultEvent

```
graph LR; A["smacc2::client_bases  
::SmaccActionClientBase  
::postResultEvent"] --> B["smacc2::introspection  
::demangleSymbol"]
```

A diagram showing a call from the `smacc2::client_bases::SmaccActionClientBase::postResultEvent` method to the `smacc2::introspection::demangleSymbol` function. The call is represented by a blue arrow pointing from the left box to the right box.

smacc2::introspection  
::demangleSymbol
