

LEDActionServer::execute

```
graph LR; A[LEDActionServer::execute] --> B[LEDActionServer::publish StateMarker]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'LEDActionServer::execute'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'LEDActionServer::publish' on the top line and 'StateMarker' on the bottom line.
