

CANCEL

The diagram illustrates a call stack structure. At the top is a white rectangular block divided into three horizontal sections. The top section contains the text 'CANCEL', while the middle and bottom sections are empty. Below this block is a blue arrow pointing upwards, indicating a return path. At the bottom is a larger gray rectangular block, also divided into three horizontal sections. The top section contains the text 'sm_multi_stage_1::cmv', the middle section contains '_cycle_2::StiCMVCycleRinse2', and the bottom section contains '::RETURN'.

sm_multi_stage_1::cmv
_cycle_2::StiCMVCycleRinse2
::RETURN
