

```
sm_dance_bot_lite::  
StEventCountDown::staticConfigure
```

A diagram showing a call from a function in `sm_dance_bot_lite` to a static method in `smacc2::SmaccState`. A blue arrow points from the `staticConfigure` method in the left box to the `static_createStateReactor` method in the right box.

```
smacc2::SmaccState  
< StEventCountDown,  
  MsDanceBotRunMode >  
::static_createStateReactor
```
