

SUCCESS

```
stateDiagram-v2
    state "sm_ferrari::StState1" as StState1
    StState1 --> SUCCESS
```

The diagram illustrates a state transition in a state machine. At the bottom is a state box for `sm_ferrari::StState1`, which is shaded gray and contains the label `::NEXT` in its top section. A blue arrow points upwards from this state box to a target box labeled `SUCCESS`. The `SUCCESS` box is white and also contains `::NEXT` in its top section. Both boxes are divided into three horizontal sections.
