

ABORT

sm_pack_ml::execute
_sequence_b::StiExecuteSequence
BStep7::PREVIOUS

The diagram illustrates a call stack or state transition. At the bottom is a large gray rectangular block divided into three horizontal sections. The top section contains the text 'sm_pack_ml::execute', '_sequence_b::StiExecuteSequence', and 'BStep7::PREVIOUS'. Above this block is a blue arrow pointing upwards. At the tip of the arrow is a small white triangle. Above the triangle is a white rectangular box divided into three horizontal sections. The top section of this box contains the word 'ABORT'. The middle and bottom sections of this box are empty.
