

ABORT

The diagram consists of two main components. At the bottom is a large rectangular block divided into three horizontal sections. The top section is shaded gray and contains the text 'sm_multi_stage_1::mode', '_4_sequence_d::StiMode4Sequence', and 'DStep3::PREVIOUS'. The middle and bottom sections are also shaded gray but are empty. Above this block is a smaller rectangular block, also divided into three horizontal sections. The top section of this smaller block contains the word 'ABORT', while the middle and bottom sections are empty. A blue arrow points upwards from the top edge of the larger block to the bottom edge of the smaller 'ABORT' block, indicating a transition or flow.

sm_multi_stage_1::mode
_4_sequence_d::StiMode4Sequence
