

cl\_nav2z::odom\_tracker  
::CpOdomTracker::onInitialize

```
graph LR; A[cl_nav2z::odom_tracker::CpOdomTracker::onInitialize] --> B[cl_nav2z::odom_tracker::CpOdomTracker::processOdometryMessage];
```

A diagram showing a call from the `onInitialize` method to the `processOdometryMessage` method. The source box is white with a black border, and the target box is gray with a black border. A blue arrow points from the source box to the target box.
