The diagram illustrates a relationship where three distinct elements on the left converge on a single element on the right. The elements on the left are: 1) A box containing the text 'smacc2::Transition' followed by '::reactions::react\_with' and '\_action' on separate lines. 2) A box containing the text 'smacc2::Transition' followed by '::reactions::react\_without' and '\_action' on separate lines. 3) A box containing the text 'smacc2::specificNamedOnExit'. Arrows from each of these three boxes point towards a fourth box on the right. This fourth box, which is shaded gray, contains the text 'smacc2::specificNamedOnExit'.
