

CANCEL

The diagram consists of two rectangular blocks. The top block is white with a black border and is divided into three horizontal sections. The top section contains the word 'CANCEL'. The bottom section of this block is pointed to by a blue arrow. The arrow originates from the top edge of the bottom-most section of a larger block below. This larger block is gray with a black border and is also divided into three horizontal sections. The top section of the gray block contains the text 'sm_multi_stage_1::dc', '_cycle_4::StiDCCyclePlateau4', and '::RETURN' on three separate lines. The middle and bottom sections of the gray block are empty.
