

cl\_nav2z::backward  
\_local\_planner::BackwardLocal  
Planner::cleanup

```
graph LR; A["cl_nav2z::backward  
_local_planner::BackwardLocal  
Planner::cleanup"] --> B["cl_nav2z::backward  
_local_planner::BackwardLocal  
Planner::clearMarkers"]
```

A diagram showing a call sequence. On the left, a gray rectangular box contains the text 'cl\_nav2z::backward', '\_local\_planner::BackwardLocal', and 'Planner::cleanup'. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text 'cl\_nav2z::backward', '\_local\_planner::BackwardLocal', and 'Planner::clearMarkers'.
