The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'sm_multi_stage_1::StObserve1' on the top line and '::onExit' on the bottom line. The right box has a white fill and a black border, containing the text 'smacc2::ISmaccState' on the top line and '::getLogger' on the bottom line. A solid blue arrow points from the right side of the left box to the left side of the right box.
