

cl_nav2z::odom_tracker
::OdomTracker::onInitialize

```
graph LR; A[cl_nav2z::odom_tracker::OdomTracker::onInitialize] --> B[cl_nav2z::odom_tracker::OdomTracker::processOdometryMessage];
```

A diagram showing a call from the `onInitialize` method to the `processOdometryMessage` method. The source box is white with a black border, and the target box is gray with a black border. A blue arrow points from the source to the target.
