

cl_nav2z::CpWaypointNavigator
::onOrthogonalAllocation

```
graph LR; A[cl_nav2z::CpWaypointNavigator  
::onOrthogonalAllocation] --> B[WaypointEventDispatcher  
::initialize]
```

A diagram showing a call from the function `cl_nav2z::CpWaypointNavigator::onOrthogonalAllocation` to the function `WaypointEventDispatcher::initialize`. The call is represented by a blue arrow pointing from the left box to the right box.

WaypointEventDispatcher
::initialize
