The diagram consists of two class boxes. The top box is white with a black border and contains the text 'boost::statechart::event< EvWaypoint138 < TSource, TOrthogonal > >'. It has two empty rectangular compartments below the text. The bottom box is gray with a black border and contains the text 'cl_move_base_z::EvWaypoint138 < TSource, TOrthogonal >' in its top compartment, '+ waypointIndex' in its middle compartment, and an empty compartment at the bottom. A blue arrow with an open triangular head points from the bottom box to the top box, indicating inheritance.
