

The diagram consists of a light gray rectangular box with a black border. Inside the box, the text `smacc2::FlashLightPlugin` is on the top line and `::TurnOff` is on the bottom line. A blue curved arrow originates from the top edge of the box, arches over the top, and points down to the top edge of the box, positioned directly above the `::TurnOff` text.

```
smacc2::FlashLightPlugin  
::TurnOff
