

CANCEL

The diagram illustrates a call stack structure. At the top is a white rectangular block divided into three horizontal sections. The top section contains the text 'CANCEL', while the middle and bottom sections are empty. Below this block is a blue arrow pointing upwards towards the bottom edge of the 'CANCEL' block. The arrow originates from the top section of a larger, gray rectangular block below. This gray block is also divided into three horizontal sections. The top section contains the text 'sm_multi_stage_1::cmv', the middle section contains '_cycle_4::StiCMVCycleRinse4', and the bottom section contains '::RETURN'.

sm_multi_stage_1::cmv
_cycle_4::StiCMVCycleRinse4
::RETURN
