

SUCCESS

```
stateDiagram-v2
    state "sm_respira_1::StObserve" as S1
    state "sm_respira_1::AC_CYCLE" as S2
    state "sm_respira_1::StObserve" as S3
    S1 --> S2
    S2 --> S3
    S3 --> SUCCESS
```

The diagram consists of two main components. At the top is a white rectangular box divided into three horizontal sections. The top section contains the word "SUCCESS". Below it are two empty white sections. At the bottom is a gray rectangular box divided into three horizontal sections. The top section contains the text "sm\_respira\_1::StObserve" and "sm\_respira\_1::AC\_CYCLE". Below it are two empty gray sections. A blue arrow points upwards from the top section of the gray box to the bottom section of the white box.

sm\_respira\_1::StObserve  
sm\_respira\_1::AC\_CYCLE
