

cl_nav2z::odom_tracker
::OdomTracker::onInitialize

```
graph LR; A[cl_nav2z::odom_tracker::OdomTracker::onInitialize] --> B[cl_nav2z::odom_tracker::OdomTracker::processOdometryMessage];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'cl_nav2z::odom_tracker' on the first line and '::OdomTracker::onInitialize' on the second line. The right box is gray with a black border and contains the text 'cl_nav2z::odom_tracker' on the first line, '::OdomTracker::processOdometry' on the second line, and 'Message' on the third line.
