The diagram illustrates a dependency or call relationship. Three white rectangular boxes on the left, each containing a function name, have blue arrows pointing to a single gray rectangular box on the right. The gray box also contains a function name. The functions in the white boxes are `cl_nitrosz::CpCostmapSwitch::disable`, `cl_nitrosz::CpCostmapSwitch::enable`, and `cl_nitrosz::CpCostmapSwitch::onInitialize`. The function in the gray box is `cl_nitrosz::CpCostmapSwitch::getStandardCostmapName`.
